Dear fellow Scale Modeler,

The active support of the Members continues to be the backbone of the U.S. Scale Masters Association, Inc. (USSMA). The programs the association provides would not be possible without membership support.

The membership year starts after each Championships Event—in the early Fall—and runs till the following Year's Championships.

USSMA is a qualified, non-profit organization under 501(c)(3) of the Internal Revenue Code, which means all or a part of your donations qualify as a tax deduction..
