

Events & Schedule

The Scale Masters Championships brings together in friendly competition many of the most skilled and dedicated model airplane builders and pilots from across the Americas. They are truly

“Best of the Best”

Approximately seventy competitors will participate in this event. Each will have earlier met exacting requirements. Their models will range from vintage bi-planes to multi-engine to turbine jets. Each model will have been built to exacting standards and will be flown in the same manner as its full-size counterpart.
